NETBALL PRO VISIT!

On Tuesday, Years 4, 5, and 6 were extremely lucky to have a special visitor; Halimat Adio. Hali currently plays GK for the England Netball Team, as well as London Pulse. Each class had a turn at a netball-based skills session where they learnt some key skills (chest passes, pivoting, footwork etc.) as well as netball terminology. The children really enjoyed the session and were inspired by meeting a current England player. As many children asked about local netball clubs, here is the link to a The Malling and Maidstone Netball League - https://mmnl.co.uk/youth-netball/
